Re: Crandall Canyon Mines, C/015/032
Change to Reclamation Plan, Crandall Canyon Mine Memorial
Change to Reclamation Plan, Portal Water Discharge Facilities

Dear Mr. Haddock:

Enclosed are six copies of changes to Mining & Reclamation Plan for the Crandall Canyon Mines. These changes reflect the newly constructed Crandall Canyon Mine Memorial. These changes also address the situation of the mine discharge water now coming from the portal, as required by Division Order DO08A, Task 3092 (formerly Task 2957). As you are aware, the final reclamation of the portal area and old loadout area below is subject to several variable factors which are not yet resolved. The narrative within the reclamation plan reflects this situation, and proposes a future course of action, via commitments.

If you have any questions or comments regarding this submittal please contact me at 435 888-4017.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Shaver", is written over the word "Sincerely,".
